

## Grow Your Business - Opportunities on the Hampton Roads Bridge-Tunnel Expansion Project

Join the Virginia Department of Transportation (VDOT) to learn more about the Hampton Roads Bridge-Tunnel Expansion Project and the opportunities for your company to work with VDOT.

Connect directly with the VDOT project team and the two Design-Build (D-B) teams who are competing for the Project. Businesses will also have access to services that can help them certify as a Virginia DBE (disadvantaged business enterprise) or register as a SWaM (small, women and minority owned business). It is also a chance to network with other small business resources.
